BRIEF ABSTRACT OF LETTER.

According to the Govt. order No. R. 19010-80/PJS. 50-19-4 dt 8-4-21 directing that "if payment of bills sent by the Compiler, Mysore Gazette is not promptly made by local bodies the privileges they are enjoying now would be liable to be withdrawn" there seems to be better response from the local bodies. Compiler Mysore Gazette ~~Superintendent Govt Printing~~ states that there is a Considerable difficulty in the collection of arrears necessitating issue of frequent reminders, and suggested that an order may be passed stating that if the local body Concerned does not pay the amount of the bill sent by him within a month of its receipt, he should send a duplicate of the bill to the Comptroller for adjustment in his accounts without further reference local bodies.

2 This system of recovering the arrears is already in Vogue in the case of paying departments for getting Stationery Supply according to the Govt order No. G. 24437-96/PDS 78-20-2 Dt. 14-6-21 & it is a point for Consideration whether the same principle may not be adopted in this case also, Considering the ~~extreme~~ great difficulty in collecting the ~~[illegible]~~ arrears from the local bodies.

Sir,

Reminder 20/10/21

With reference to the Government Order No: G. 19010-80/P&S. 50-19-4, dated 8th April 1921, directing that if payment of bills sent by this office is not promptly made by local bodies the privilege they are enjoying now would be liable to be withdrawn, I have the honor to state that as a result of the issue of the order there has been better response by the local bodies but there is still considerable difficulty in the collection of arrears which necessitates the issue of frequent reminders.

I am therefore of opinion that the recovery of the outstandings would be greatly facilitated and considerable correspondence and delay saved if the procedure laid down in para 3 of Goverment Order No: 24437-96/P&S. 78-20-2 dated 14th June 1921 in respect of the recovery of outstandings on account of stationery supplies to paying departments is enforced in the case of the outstandings pertaining to the publication in the Gazette of the Proceedings of local bodies also.

I therefore request that Government may be pleased to order that in every case the local body concerned does not pay the amount of the bill sent by this office within a month of its receipt, this office should send a duplicate of the bill to the Comptroller for adjustment in his accounts without further reference to the local body.

I solicit the favour of an early reply.

Sir,

With reference to your letter No. M. 2292-311/ P. & S. 45-21-2, dated 18th November 21, requesting to be informed if there is any reason why the Compiler's proposals that in every case in which the department receiving supplies does not return duly accepted, the Compiler's bill within a month of its receipt, the Compiler should send a duplicate of the bill to the Comptroller for adjustment in his accounts without further reference to the department, should not be accepted, I have the honor to state that as the bills sent are oftentimes not correctly addressed to the right Department or office and verification will be found necessary, it will not be safe to adopt the plan suggested.

2. Railway passes and bills which have to be sent addressed to the Presidents of the Municipal Councils, who now are as many as ten in this District, are being sent generally ~~addressed~~ to the Deputy Commissioner's Office addressed "PRESIDENT OF MUNICIPALITIES". Some times also by clerical errors, bills

which should go to the President, Hassan Municipal Council have been sent addressed to the President, District Board Hassan and vice versa.

3. Further, as stationery articles are now no longer supplied to Local Bodies who have since been permitted to make their own purchases and as these bodies send matter for publication in the Gazette, for which they have to pay, only at rare intervals, cases of non-adjustments of bills with promptness will no doubt have become rarer.

Sir,

With reference to your letter No:M 2292-311/P & S 45-21-2 dated the 18th November 21, calling for opinion regarding the Gazette Compiler's proposal for arrangements being made for the adjustment of bills by the Comptroller himself on account of charges for publication of proceedings of the local bodies, which remain unadjusted for a long time, as laid down in Government Order No: 24437-96/ P & S 78-20-2 dated 14th June 21, I have the honour to state that the adjustment of the bills of the kind in question by the Comptroller himself without the Countersignature of the local body concerned leads to confusion and mistake in accounts.

2. Further, it may be mentioned that there can be or has been hardly any delay in the adjustment of the bills by the local bodies according to the practice existing hitherto, provided the bills are correctly prepared and despatched to the local bodies concerned along with the printed matters pertaining thereto. Instances are not wanting in which printed matters relating to the local bodies were despatched to this Office by the Compiler and bills transmitted direct to the Offices concerned. Evidently, the delay in such cases is unavoidable, as the transmission of printed matters takes some time and as the local bodies also cannot be expected to adjust the bills before they get the printed matters and verify them.

3. In theses circumstances, the proposal of the Compiler to arrange for the adjustment of bills by the Comptroller directly does not appear to me advantageous.

The safest course seems to be to insist on local bodies paying up the bills promptly or within a reasonable time just as they do with so many of their other bills.

ORDER NO. E. 166-78—P. & S. 45-21-24, DATED 7TH JULY 1922.

The Comptroller's report shows that all adjustments between the General Revenues and Municipal or District Funds are made by local bodies by actual payments into the treasuries by means of crossed cheques in favour of the Treasury Officer. The proposal of the Compiler to send duplicates of bills to the Comptroller for adjustment without reference to the local bodies concerned is not feasible therefore.

2. As desired by some of the local bodies the period for adjustment of bills is extended to two months, but they are informed that the privilege now enjoyed by them of getting matter printed in the Gazette without advance payment is liable to be withdrawn if bills are not adjusted by them within two months from the date of their receipt.

3. As some of the delays are reported to be due to the bills not having been correctly addressed or printed matter not having been sent direct to the local bodies concerned, the Compiler is requested to see that such mistakes are not allowed to occur in future.

4. The Compiler will report to Government all cases in which bills are not paid by local bodies within two months of receipt.

General Secretary to Government.
